Subject: Kindly requesting an acknowledgement receipt to forward to the ECE office

Hi Professor Catherine,
(Professor Mahesh is cc-ed)

I have attached my thesis to this email. Could you please acknowledge its receipt?
Additionally, may I kindly ask if you would be available on the 11th of January 2022
(Tuesday) at 11 am for the master's seminar? If this is not convenient, could you please
suggest another time that day?

Kind regards,

Yekta
